Mr. William Vandersall
Environmental Services Manager
Schlegel Keokuk Plant
P.O. Box 2230
Keokuk, Iowa 52632-2230

Re: Schlegel Keokuk Plant
Formerly Sheller-Globe Corporation
Keokuk, Iowa
EPA ID No. IAD005136023

Dear Mr. Vandersall:

We have received the closure certification reports for the two hazardous waste container storage units dated March 7, 1991 and November 15, 1991. Based on these reports, we believe that closure has been completed in accordance with the approved closure plan. Therefore, Schlegel is no longer required to maintain the financial assurance requirements for liability coverage and closure costs pursuant to Title 40 of the Code of Federal Regulations Part 265, Subpart H for this facility.

If you have any further questions regarding closure at this facility, please contact Mr. Don Lininger, of my staff, at (913) 551-7724. Thank you for your cooperation in this matter.

Sincerely,

Michael J. Sanderson
Chief, RCRA Branch
Waste Management Division
